

## Sustain the Mission — Support PTPA

Dear Friends,

Have you considered making a gift to PTPA this year?

We begin with heartfelt gratitude. Your presence, collaboration, and commitment continue to strengthen our community and bring our mission to life. Together, we are living out our faith by building relationships rooted in solidarity, mutual respect, and hope.

**In recent months, because of your support, PTPA has been able to:**

- Facilitate conversations and engagement with sister parishes
- Support parishes in navigating challenges on both sides of the partnership
- Create space for shared discernment and collaborative problem-solving
- Develop practical tools to strengthen parish twinning relationships
- Provide Creole translation to support clear and meaningful communication
- Share timely resources relevant to members' realities
- Host Zoom gatherings with guest speakers and partner organizations
- Offer space to reflect on lessons learned, including insights from the Haiti Parish Visit Pilot program
- Consolidate and share key findings to support learning across the PTPA community

As a reminder, PTPA does not charge fees for its services. We rely entirely on the generosity of members and supporters to sustain this mission and continue accompanying parish communities in the United States, Haiti, and Latin America.

**When you give to PTPA, you are investing in faith-filled relationships.**

Your contributions allow us to sustain a small team who provide essential accompaniment to parish partners through our core services, including:

### **PTPA Core Services and Support**

- **Parish Engagement in the U.S.**  
Outreach and accompaniment to parishes seeking to deepen or begin twinning relationships.
- **Facilitating Connection with Sister Parishes**  
Supporting communication and relationship-building, especially when travel is limited.
- **Creole Translation Support**  
Enhancing clarity, cultural understanding, and collaboration.
- **Training, Webinars, and Zoom Gatherings**  
Offering learning opportunities on best practices, ministry development, and current realities.
- **In-Person Haiti Visits on Behalf of Members**  
Coordinating parish visits through our Haiti-based team when direct travel is not possible.
- **Connecting Members with Mission-Aligned Organizations**  
Making referrals that complement and strengthen parish initiatives.

Your generosity makes this accompaniment possible. It nurtures faith, strengthens bonds of solidarity, and ensures these vital parish relationships continue to grow; even across distance.

As we look ahead, we invite you to prayerfully consider making a gift to PTPA. No contribution is too small; every gift helps sustain this mission.

**Because of you, this work continues.  
Because of you, these partnerships endure.**

With gratitude,  
Cassandra
