

Sharing God's Love in Haiti and Latin America

TOGETHER WE CAN DO GREAT THINGS!

Your support can make a difference!

You can have an incredible impact on our mission. Your donation will allow us to address urgent priorities:

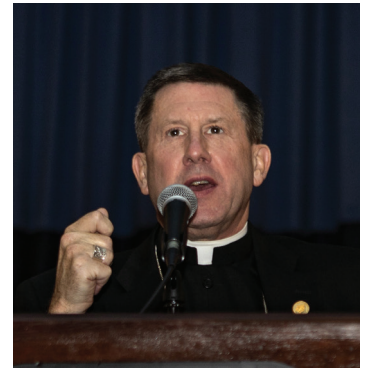

- To offer more services to US parishes as they strive to support their twin parishes
- To recruit more US parishes to form new twinning relationships to address dire unmet needs

Compelling testimonies from Catholic clergy members about the need for PTPA's mission confirm the impact you can have on the lives of the poor in Haiti and Latin America by making a donation.

Bishop Mark Spalding, Diocese of Nashville, TN

"Much as the German industrialist Oskar Schindler, depicted in the movie 'Schindler's List', saved more than a thousand Jewish refugees from the Holocaust, your organization (PTPA) is helping US parishes save poor parishes in Haiti and Latin America by providing the funding that allows them to simply exist. The list of Haitian parishes helped, like the list in the movie, is an 'absolute good'. Please know of my continued prayers and support for your mission."

Father Jean Baptiste Geordani, Pastor of St. Bertin in Petit Borg de Port Margot, Haiti twinning with Our Lady of the Lake in Hendersonville, TN

"The situation in Haiti right now is very difficult. Without the help and support of Our Lady of the Lake, St. Bertin would not be able to meet the needs of our people. Thanks to our twin parish, the people of St. Bertin are able to live their Catholic faith by coming together to worship and praise God."

Father Wilson Elucien, Pastor of Notre Dame de la Nativite des Palmistes in La Tortue, Haiti, twinned with Holy Rosary in Evansville, IN and St. Agnes in Scottsbluff, NE

"This pairing is for my parish rain for the dry land. Being a parish priest in Haiti, especially on the island of La Tortue, is really heavy. But, with the economic support of the sister parish, the relief is real. Please continue to help the people of God to truly live in dignity and to lift them out of the misery in which they are sinking day by day."

Father José Dominguez, Pastor of San Lorenzo Martir in Chiapas, Mexico, twinned with Epiphany Catholic Church in Louisville, KY

“In you God has reflected the love He has with His church, and God has seen the same need and you have been a bridge to it. Thank you very much because you have set your eyes on us, and given not what you have left over, but like that widow who gives her offering of what she has.”

Father Herve Mauricette, Pastor of Our Lady of Grace in Molas, Borgne, Haiti – Archdiocese of Cap Haitian – Seeking a twin parish

“The situation of my parishioners is getting worse day by day. Looking at them, it’s pitiful. Honestly, I can’t lie to you. I am the founding priest of a rural parish. The children cannot go to school because of their poverty. Many of my faithful die of cholera disease due to the deprivation of a primary health center. I cannot stand it anymore. This is why I am turning to PTPA to see what you can do for us. You are our only recourse.”

Father Djimson Stinfil, pastor of Notre Dame de la Merci du Bord de Mer de Jean, Haiti - Diocese of Port-de-Paix – Seeking a twin parish

“The reality of this parish is really difficult. We don’t have a presbytery (i.e., school). The small church that serves as a chapel is cracked and has become too small since the faithful participate in large numbers at mass. The people are very poor and cannot provide for my needs as pastor, nor for the needs of the parish. The current reality of Haiti aggravates everything. The words to describe what we are going through cannot be found.”
